Dear Sir or Madam,

We are pleased to give you our congratulations for having achieved the certification of your Management System, which you can find attached.

In order to help you to promote your certification, we provide you access to the following link, where you would be able to download the electronic files with the logos and the manual use of the brand of Certification.

<http://clientes-certificacion.bureauveritas.es>

Usuario: **C53BVBWB**

Clave: **bureau**

We would appreciate your feedback by filling in the satisfaction survey that is available on the same web page.

We remind you that the validity of the certification depends on the satisfactory outcome of the follow-up audits that will be planned one year and two years later counting from the last day of the certification audit.

Accordingly to the accreditation requirements (Standard ISO 17021-1:2015) is **mandatory** that the first follow-up audit is performed **before 12 months later** counting from the last day of the certification audit. Otherwise the Certificate would be suspended and a new initial audit should be done.

Do not hesitate on contacting us in case of any doubt in our customer service phone: **+34 902 290 012**.

Be assured we will continue to make every effort to live up to your expectations.

Sincerely yours,

Mónica Botas
